Appomattox Super Hair Opens

Mr. and Mrs. Bill Sperry have announced the sale of their business, Shapes & Styles, to Mrs. Donald (Peggy) Adams of Route 29 South, Lynchburg.

Mrs. Adams began operation of the new business, Appomattox Superhair, on Monday of this week.

Miss Gloria McMinnis of Gretna will be manager of the shop in Appomattox. She is a graduate of Ralph's School of Cosmotology and an experienced hair stylist. She plans to move to Appomatox in the near future.

Mrs. Adams has been in the business since 1968. She attended Ralph's School of Cosmotology in Lynchburg, an accredited school, and has continually kept up with the latest in hair fashions. Last June she attended Roert Finance School of Cosmotology, a unisex school, in New York City; attended Paul Mitchell's Superhair seminar in New York City in November; and has just returned from the International Hair Show held at the Hilton in New York City.

In ad ditton to Appomattox Superhair, she is owner of Hyland Springs Superhair and plans to open Altavista Superhair in June of this year. Mrs. Adams personally trains and supervises all operators in the latest hair fashions.

Appomattox Superhair will be open six days a week, Monday through Saturday.

A hairstyle to fit your lifestyle is what will be offered at Appomattox Superhair. It is reported that "teasing" is on the way out, body can be achieved by using the brush and blower method with the proper hair cut and that is what you will get if you so choose, but if customers insist on height and bouffant styles they can get what they want.

Specializing in wash and wear hair...only professional products will be used. Horizontal cuts made with shorter scissors are new, rather than the vertical cutting. Acid, rather than alkaline permanents, will be used giving body waves to straight-as-a-stick hair and doing less damage to hair than the post marketed waves.

You are invited to call or stop by the new Appomattox Superhair, they are sure you will be pleased with whatever style you might choose to suit your lifestyle.

William Edward Dixon of Appomattox, an employee E. A. Covington, was in for a style cut and blow dry on Tuesday morning and said he was very pleased with his style-cut and that "he thought he was very good looking."
